### **Retired members**

#### Herewith the conditions for retired members:

1. The provisions regarding benefits for TO members have gone up in the SAOU as it currently looks
2. The benefits associated with Retired Membership have been amended and included by the NUR  
However, to assume that the type of benefits are forever unchangeable is not realistic

#### The modified benefits are as follows:

1. That pensioners are defined as follows:
  - a. At least 5 years of continuous membership at the date of last active membership, i.e. monthly membership contributions during the preceding 60 months, and
  - b. the retirement is considered a bona fide retirement.
2. That we offer lifetime membership for pensioners.
3. That the cost is free.
4. That they receive the following benefits:
  - a. Bookings at TO Strand at membership rate, but will only apply during the off-season and not during the high, peak and high peak seasons. However, the various boards will offset this aspect from time to time as the SAOU has no direct control over the company.
